THE REGION WOULD BE NOTHING WITHOUT WINE

A puzzle of 57 naming on 120 000 hectares of vineyards and approximately 7 000 castles...
Nowhere else in the world you will find a so numerous and ancestral family.

The Estuary, the Gironde, the Garonne and the Dordogne rivers are the only border to these different wine territories: Bordeaux - gateway to the vineyards, Entre-deux-Mers, Graves et Sauternes, Médoc, the ensemble of Saint-Emilion, Pomerol and Fronsac and the final territory which consists of Blaye et Bourg.

A multitude of wineries, hotels, B&Bs, restaurants, bars and museums offer you a numerous choice to stop off, visit and taste.

Choose the vineyard, I do the rest!
